PRESENTATION

CONTENTS

01

LAYOUT

The site analysis examines the location, surroundings, and accessibility of the project area.

02

ZONING

A layout that organizes spaces for efficient use and comfort.

03

MOOD BOARD

Visual presentation or 'collage' consisting of images, text, and samples of objects in a composition

04

3D VIEWS

Look and feel of the proposed layout

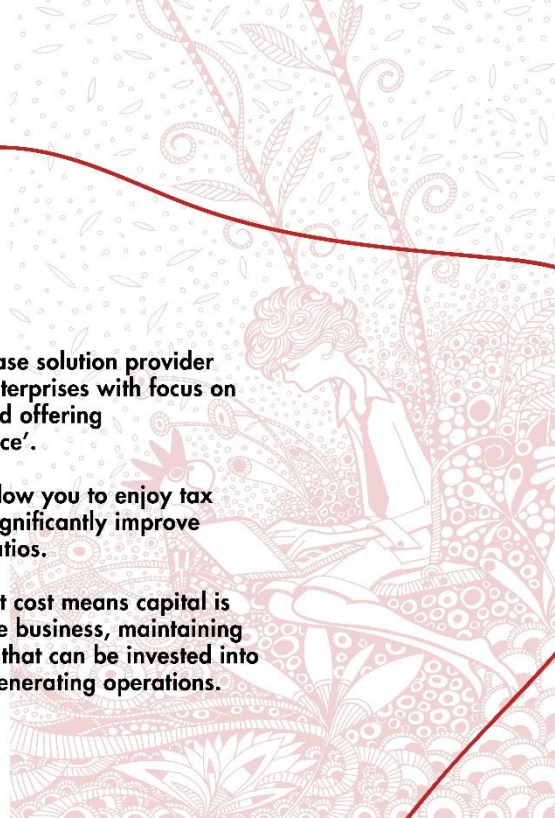

45 Year old group, operating across **residential, commercial** and **data centres.** We manage an AUM of over \$600m across these segments.

An operating lease solution provider for corporate enterprises with focus on Office Fit-out and offering 'fitout as a service'.

Our solutions allow you to enjoy tax arbitrage and significantly improve your financial ratios.

No large upfront cost means capital is retained with the business, maintaining working capital that can be invested into other revenue-generating operations.
