HP CUSTOMER TERMS – VOLUME DIRECT

- 1. Parties.** These terms represent the agreement (“**Agreement**”) that governs the purchase of selected hardware and software products and associated services from the HP India Sales Pvt. Ltd. entity identified here (“**HP**”) by the Customer entity identified here (“**Customer**”).
- 2. Orders.** “**Order**” means the accepted order including any supporting material (such as product lists, specifications, published warranties) which the parties identify as incorporated either by attachment or reference and that may be available to Customer in hard copy or by accessing a designated HP website (“**Supporting Material**”).
- 3. Scope and Order Placement.** These terms may be used by Customer either for a single Order or as a framework for multiple Orders. In addition, these terms may be used on a global basis by the parties’ “**Affiliates**”, meaning any entity controlled by, controlling, or under common control with a party. The parties can confirm their agreement to these terms either by signature where indicated at the end or by referencing these terms on Orders. Affiliates participate under these terms by placing orders which specify product or service delivery in the same country as the HP Affiliate accepting the Order, referencing these terms, and specifying any additional terms or amendments to reflect local law or business practices.
- 4. Order Arrangements.** Customer may place orders with HP through a designated HP website, customer-specific portal, or by letter, fax or e-mail. Where appropriate, orders must specify a delivery date. If Customer extends the delivery date of an existing Order beyond ninety (90) days, then it will be considered a new order. Customer may cancel a hardware Order at no charge up to five (5) business days prior to shipment date.
- 5. Prices and Taxes.** Prices will be as quoted in writing by HP or, in the absence of a written quote, as set out in a designated HP website, customer-specific portal, or HP published list price at the time an order is submitted to HP. Prices are exclusive of taxes, duties, and fees (including installation, shipping and handling) unless otherwise quoted. If a withholding tax is required by law, please contact the HP order representative to discuss appropriate procedures.
- 6. Invoices and Payment.** Customer agrees to pay all invoiced amounts within thirty (30) days of HP’s invoice date. HP may suspend or cancel performance of open Orders or services if Customer fails to make payments when due.
- 7. Title.** Risk of loss or damage to hardware products will pass upon delivery to Customer or its designee. HP shall retain title in products until full payment is received.
- 8. Delivery.** HP will use all commercially reasonable efforts to deliver products in a timely manner. HP may elect to deliver software and related product/license information by electronic transmission or via download.
- 9. Installation.** If HP is providing installation with the product purchase, HP’s site guidelines (available upon request) will describe Customer requirements. HP will conduct its standard installation and test procedures to confirm completion.
- 10. Support Services.** HP’s support services will be described in the applicable Supporting Material, which will also cover eligibility requirements, service limitations and Customer responsibilities.
- 11. Product Performance.** All HP-branded products are covered by HP’s limited warranty statements provided with the products or otherwise made available in Supporting Material. Non-HP branded products and services receive warranty coverage as provided by the relevant third party supplier.
- 12. Warranty Claims.** When HP receives a valid warranty claim, HP will either repair the relevant defect or replace the product. If HP is unable to do either within a reasonable time, Customer will be entitled to a full refund upon the prompt return of the product to HP. HP will pay for shipment of repaired or replaced products to Customer and Customer will be responsible for return shipment of the product to HP. This Agreement states all remedies for warranty claims. To the extent permitted by law, HP disclaims all other warranties.
- 13. Intellectual Property Rights Infringement.** HP will defend and/or settle any claims against Customer that allege that an HP-branded product as supplied under this Agreement infringes the intellectual property rights of a third party. HP will rely on Customer’s prompt notification of the claim and cooperation with our defense. HP may modify the product so as to be non-infringing and materially equivalent, or HP may procure a license. If these options are not available, HP will refund to Customer the amount paid for the affected product in the first year or the depreciated value thereafter. HP is not responsible for claims resulting from any unauthorized use of the products.
- 14. License.** HP grants Customer a non-exclusive license to use the version or release of the delivered HP-branded software. Permitted use is for internal purposes only (and not for further commercialization), and is subject to any specific software licensing information that is in the software product or its Supporting Material. For non-HP branded software, the third party’s license terms will govern its use. Customer may not sublicense, assign, transfer, rent, or lease the software or software license except as permitted by HP.
- 15. Global Trade Compliance and Recycling.** Products and services provided under these terms are for Customer’s internal use and not for further commercialization. If Customer exports, imports or otherwise transfers products provided under these terms, Customer will be responsible for complying with applicable laws and regulations and for obtaining any required export or import authorizations. HP may suspend its performance under this Agreement to the extent required by laws applicable to either party. For countries where HP is legally required to take back and recover Waste Electrical and Electronic Equipment (“WEEE”), HP agrees to recover WEEE on the terms set out for each country at hp.com/recycle.
- 16. Limitation of Liability.** HP’s liability to Customer under this Agreement is limited to the greater of USD 1,000,000 or the amount payable by Customer to HP for the relevant Order. Neither Customer nor HP will be liable for lost revenues or profits, downtime costs, loss or damage to data or indirect, special or consequential costs or damages. This provision does not limit either party’s liability for: unauthorized use of intellectual property, death or bodily injury caused by their negligence; acts of fraud; willful repudiation of the Agreement; nor any liability which may not be excluded or limited by applicable law.
- 17. Force Majeure.** Neither party will be liable for performance delays or non-performance due to causes beyond its reasonable control, except for payment obligations.
- 18. Termination.** Either party may terminate this Agreement on written notice if the other fails to meet any material obligation and fails to remedy the breach within a reasonable period after being notified in writing of the details. If either party becomes insolvent, unable to pay debts when due, files for or is subject to bankruptcy or receivership or asset assignment, the other party may terminate this Agreement and cancel any unfulfilled obligations. Any terms in the Agreement which by their nature extend beyond termination or expiration of the Agreement will remain in effect until fulfilled and will apply to both parties’ respective successors and permitted assigns.
- 19. General.** This Agreement represents our entire understanding with respect to its subject matter and supersedes any previous communication or agreements that may exist. Modifications to the Agreement will be made only through a written amendment signed by both parties. This Agreement will be governed by the laws of the country of HP or the HP Affiliate accepting the Order and the courts of that locale will have jurisdiction, however HP or its Affiliate may bring suit for payment in the country where the Customer Affiliate that placed the Order is located. Customer and HP agree that the United Nations Convention on Contracts for the International Sale of Goods will not apply. Claims arising or raised in the United States will be governed by the laws of the state where Customer’s US Affiliate is headquartered, excluding rules as to choice and conflict of law.
- 20. Standards of business conduct (SBC)** The HP Standards of Business Conduct (SBC) embody the fundamental principles that govern our ethical and legal obligations to HP. They pertain not only to our conduct within the company but also to conduct involving our customers, channel partners, suppliers and competitors.
