Hi Eric,

Before I leave, I wanted to sincerely thank you for all your support during my time here.

The trust, encouragement, and opportunities I received from the team meant a lot to me, and I am truly grateful for that.

As you may know, my decision to leave was mainly driven by family circumstances. It was honestly one of the most difficult decisions I have had to make, but I felt it was the right one for my family at this time.

Thank you for believing in me and for the support you have shown throughout my journey. I have learned a lot, and I will always carry those learnings with me.

Working with you and the team has been a great experience, and I genuinely appreciate everything I have learned along the way.

If our paths cross again in the future, I would be delighted to work with you and the team once more. I would gladly welcome that opportunity.

Thank you again for everything, Eric. I truly appreciate your support, trust, and encouragement.

Wishing you and the entire team continued success and all the very best for the future.

Thanks and Regards,

Dnyaneshwar Karande
