Hi Eric, Patrick, Christian, Christopher, Jeremy, Lucas,

I wanted to take a moment to thank all of you for the support, guidance, and encouragement you have given me during my time at Kforce.

Working with the Kforce US team has been one of the most valuable experiences of my career. I joined with a lot to learn, and each of you helped me grow not only professionally but also personally. The knowledge, patience, trust, and support you showed me will always stay with me.

As some of you already know, I recently made the difficult decision to resign due to family circumstances. My family is planning to relocate so that we can be together and support my parents with their ongoing medical needs. This was not an easy decision, and honestly, it happened much sooner than I had expected.

The good news is that things are looking much better on the family side now, and I am hopeful that everything will settle down soon.

I would also like to personally thank a few people who have had a huge impact on my journey.

[@Fryer, Patrick](#), thank you for always being there whenever I needed help. Your guidance, support, patience, and willingness to help in every situation made a huge difference to me. I have learned a lot from you, and I am truly grateful for everything you have done for me.

[@Gondi, Christopher](#), thank you for all your support with Intune and technical topics. I learned a lot from your knowledge and experience, and your guidance helped me build confidence in many areas.

[@Estrada, Christian](#), thank you for all your support with Microsoft 365 related tasks and day-to-day assistance. Your help and collaboration were always appreciated.

[@Dunlap, Eric](#), a very special thank you for your overall support, trust, and encouragement throughout my journey. Your support meant a lot to me and made my experience here much more positive.

[@Cerveny, Jeremy@Lucas, Weston](#) I also want to thank everyone else on the team who took the time to help, teach, guide, and support me whenever needed. The trust you placed in me means a lot, and I sincerely appreciate it.

If there is one thing I would like all of you to know, it is that I am leaving with nothing but gratitude and respect for this team.

If I ever get an opportunity to work with all of you again in the future, I would gladly welcome it. It would genuinely make me happy to be part of such a great team once more.

Please stay in touch. If I can ever help with anything in the future, whether professionally or personally, feel free to reach out. I will always be happy to help in any way I can.

Thank you once again for everything, for the support, the trust, the learning opportunities, and the memories.

I wish you all continued success, good health, and the very best for the future.

Thanks and Regards,

Dnyaneshwar Karande
